Well, who ob-jects? He may fret the midnight air ac-cordin' to his taste from now till he has a three-foot moustache, and the APPRAL shall never complain.

Our reporter thought there was too much hurry about it, but of course the learned justices were the best judges of that. Dr. Hatch was on the jury. He had been slonally, 'Squire Liliott was on the jury; he had gone out there to hold it, and 'Squire Miller was around, having made a tour out there for the same landable —An evening paper published here says

—An evening paper published here says

The first witness called was a colored.

-An evening paper published to that "there were only a few cases of chilis woman, who lives on the premises or admitted to the city hospital during the around there. She knew but little of the past week, which speaks volumes for our biuffs." Whether it was the "cases," or the "chills" or the "hospital" that speaks nes for the bluffs is not said. Neither is it stated what was contained in those volumes gratultously issued for the exclusive benefit of our ungrateful bluffs. —it faces this here winnow (pointing across the corpse to a window in the side of the house); I heard Jem Armstrong demanded by Messra. Joe Elliott & Robert Eldgely, who are first-class business men.

Mr. Elliott was formerly a jeweller at Merriman & Byrd's, and Mr. Hidgely was Merriman & Byrd's, and Mr. Hidgely was here demonstrated the least of proceeding that she thought was

Their Efforts to Establish a School in Memphis Promise to be Successful.

We have heretotore called attention to general run of her evidence was to the the fact that the Christian Brothers were string their best endeavors to establish one of their schools in Memphis, and also that of the late Mrs. Armstrong; she heard that the schools in other cities, under the control of the Brothers, were among the most successful of educational institumost successful of educational institutions. It is with pleasure we now state
that their efforts are about to be crowned
with success. Friends of the movement
agreed to raise, by subscription, \$5000, and
of this sum, \$3200 has already been se
cured, leaving only \$1800 to be raised—a
trivial sum when compared with the importance of the object to be secured
thereby. The committees will wait upon
those who have not before had an opportunity of subscribing, to-day and to-morrow, when, we are sure, the same libersiity will be displayed that characterised
those whose names appear below, and the hose whose names appear below, and the num required be at once made up.

GRAMMAR.

The Action of the Roard of Education Sustained by an Experienced

Editors Appeal Much has been said and written of late upon the exclusion of grammar from our primary schools; yet so little do the public seem to under-stand the action of the officers of public we copy the following in answer to the stand the action of the officers of public seem to understand the action of the officers of public institutions, and so gress are the misrepresentations hased upon it that we claim the complete that our merchanis may be able to prove to "Small Dealer" that he is misseased upon it that we claim the complete that our merchanis may be able to prove to "Small Dealer" that he is misseased. His complete that we claim the complete that our merchanis may be able to prove to "Small Dealer" that he is misseased upon it that we claim your indulgence in making a few brief nature to be treated with silenes, and statements in reply.

also recovered, and Messra. Pittman and Appleberry returned to this city with their prisoner and the animals. They propose to bing the case before the grand jury this morning, and, if possible have the thief tried by Judge Flippin this after the tried th

aid for our present purpose, which is to this fact, and they use it in the commer

Speaker of the Senate.

Passed, February 10, 1838.

This act is published as a valid subsisting statute by Shoukland in his edition of the public laws of the State, passed since 1858—page 163. Never having heard its validity before disputed, I think there must be some mistake, as to the scures of Mr. Pettit's information.

As the existence of the act against not for the high school, makes up and the public laws of the State, passed since 1858—page 164. Never having heard must be some mistake, as to the scures of Mr. Pettit's information.

As the existence of the act against not for our present purpose, which is to show the wisdom of that policy, which, while fact, and they use it in the commercial canvass every season against them, sudy—takes up each in such a sequence as is deemed the best and most logical.

We believe that two years of oral instruction in the third and fourth grades, two years of Corell's digest in the grammar achools, and three years of the Nasion Membras in trade know this fact, and they use it in the commercial canvass every season against them, out of it.

The Average is in fact, and they use it in the commercial canvass every season against them, out of it.

The Average is in the commercial canvass every season against them, out of it.

The Average is in the fact, and they use it in the commercial canvass every season against them, out of it.

The Average is in the fact, and they use it in the commercial canvass every season against them, out of it.

The Average is in the fact, and they use it in the commercial canvass every season against them, out of it.

The Average is in the fact, and they use it in the commercial canvass every season against them, out of it. must be some mistake, as to the source of Mr. Petilt's information.

As the existence of the act seems not to be generally known, you will doubtless confer a favor upon the commercial community by publishing it.

The Colorado and City of Quincy will be In speaking of the Yagoo river trade, the New Orleans Picquine says: "We are office on Company a wharfboat, foot Court st. gratified to be able to announce that the St. Louis, Memphis and Vicksburg Packet RAIL POAD PACKET COMPANY. Company have determined to place a semi-weekly line of steamers in the Yazoo trade as soon as they can be built. These Yazoo City, and acting as feeders to this tine line of packets, will increase their entire business fully twenty per cent. While we are aware that this is wretched news for New Orleans, we cannot but news for New Orisans, we cannot but will run in connection with the Memphis congratulate the merchants of St. Louis that the trade of this spiendid region is Bud over Mounday, Wednesday and Fri-

The Evansville Journal of the 24th inst. The Evansville Journal of the 24th instsays: "The great Exposition at Cheinnati is attracting vast crowds of people of
all classes and from all sections to that
city. It is a really immense affair, and no
newspaper article can give an idea of its
magnitude. Most of all the steamboat
men of the Mississippi Valley have visited
it, and are astonished. No one should let
any minor reason prevent his making it a

The sinking of the Florence is a great ca-iamity, and falla heavily on Captain Greenlee and Jerry Sullivan, the owners, who, previous to her departure from here, had placed her in perfect order and repair, had placed her in perfect order and repair, and at considerable outlay of money and time; and now to lose her at the present time, when they had a bright future before hem, and promises for an early return for their investment, is very discouraging, but we hope that she will not be a total loss, and that they will yet retrieve from their loss of time and money by a series of yood trips and final success.

Freights for all points consigned to care of by a series of good trips and final success hereafter. She had on board at the time of her accident 27 bales cotton and 100 head of cattle, and a cabin full of passen Boats Leaving This Day.

FOR HELENA AND FRIAR'S POINT,-The Phil Aliin, Captain Jas. Lee, leaves as above to-day at 5 p.m., Stack Lee, cierk. For Vickshung.—The Glasgow leaves day at 10 a.m., as above, Captain Selby is her commander.

The Osage, Captain John B. Davis, leaves DeVall's Bluff this evening on the arrival of the train from Memphis for Jacksonport and all points on upper White river. Charley Smithers does the honors of the office. of the office.

The St. Louis Republican of Saturday

last gives the time of the three champions of the Western waters, in which will be seen that the Katie is the fleetest so far Ir the run from St. Mary's Market, New Or-leans, to Hill's Gate: R. E. Lee, in 1870-Carrollton. R. E. Lee, in 1870-Hill's..... Natchez, in 1870-Carrollton...
